Health Advisory Rescinded

Walton County -- Effective immediately, the Florida Department of Health in Walton County is rescinding the August 9, 2017 health advisory for the **Morrison Springs** bathing place.

DOH Walton feels that water quality in this area has improved considerably due to the reduction in bacteria levels.

We will continue to monitor the water quality in this area monthly and routinely advise the public of our results. For more information, contact the DOH Walton at 850-892-8021.

###

If you should have any questions, please contact DOH-Walton at (850) 892-8021 or visit the Florida Department of Health's Beach Water Quality website www.floridahealth.gov/healthy-environments/beach-water-quality/index.html.

About the Florida Department of Health

The department works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
